

Alex Fitch, CFA

Associate Director of U.S. Research and Investment Analyst

Alex Fitch is the associate director of U.S. research and an investment analyst at Harris Associates L.P. As a generalist analyst, he is responsible for generating investment ideas across a wide range of industries and sectors, including commercial real estate, energy, financial services, transportation and technology. In addition, he provides continuing coverage of Harris investments.

Mr. Fitch joined the firm as a research associate in 2011 after having worked at UBS as an investment banking analyst. He received his B.A. in economics and math from DePauw University (2010) and is a CFA® charterholder.

Harris Associates L.P. is an investment management firm with approximately \$86 billion in assets under management as of June 30, 2020, and is best known as the investment adviser to the Oakmark Funds. The firm has a 44-year history of delivering excellent results for clients through its value investing philosophy and deep fundamental research.
