

Katherine M. Gerdes

U.S. Research Associate

Katherine Gerdes is a research associate at Harris Associates L.P. In her role, she is responsible for assisting investment analysts with their fundamental research as well as generating investment ideas across a wide range of industries and sectors, including technology and consumer goods.

Ms. Gerdes interned at Harris in the summer of 2018 and joined the firm as a full-time employee in 2019. She holds a B.A. in mathematics and economics from the University of Chicago (2019).

Harris Associates L.P. is an investment management firm with approximately \$86 billion in assets under management as of June 30, 2020, and is best known as the investment adviser to the Oakmark Funds. The firm has a 44-year history of delivering excellent results for clients through its value investing philosophy and deep fundamental research.
