

Roger W. Norberg Bio

Roger Norberg is the Director Equity Research for Thrivent Asset Management. Over the course of his career Mr. Norberg has professional experience as a director of research on both the buy and sell side and has also served as a senior research analyst and portfolio manager. His sector area of expertise is primarily industrials and related real goods producing industries as well as consumer and technology. Firms that Mr. Norberg has worked for prior to Thrivent include Wells Capital Management, Deephaven Capital, J.P.Morgan, Chase H&Q, and Piper Jaffray. His core investing philosophy is grounded in having a strong and consistent basis for conclusions, having a willingness to think differently and develop ideas independently, and that long- term positioning offers the most opportunity for capturing price inefficiency. Mr. Norberg holds an undergraduate degree in Economics from the University of Minnesota and an MBA from the University of Chicago.
