

Alia Aziz

Investment Analyst, Director
USB Asset Management

Alia Aziz is an Investment Analyst on the US Large and mid-cap Growth Equity strategies as well as on the Digital Transformation Equity strategy, a Global Growth Equity strategy. Her coverage includes primarily the consumer sectors.

Alia joined UBS in September 2020. She was previously Director of Global Strategy at Selina, a global hospitality and coworking company.

She was the founding analyst at Spyglass Capital Management, a concentrated U.S. mid-cap long-only growth fund that launched in 2015. She has also been at AllianceBernstein, where she was a senior research analyst on the Emerging Markets Growth and International Large-Cap Growth team. Alia started her career as the sole analyst at Edgewood Management, a concentrated U.S. large-cap long-only growth fund.

Years of investment industry experience: 6

Education: Yale University, BA; Yale School of Management, MBA
