

Michael Balkin

CEO

Foresight Acquisition Corporation

Michael Balkin is currently the CEO of Foresight Acquisition Corporation and was previously a Partner and Co-Manager of the William Blair Small Cap Growth Strategy.

Mike was a portfolio manager on William Blair's Small Cap Growth strategy. He rejoined William Blair in 2008 after three years as a portfolio manager and chief investment officer of Magnetar Investment Management. Balkin originally joined William Blair in 1990, covering small-cap growth companies for the firm's sell-side institutional research sales group, and became a portfolio manager on William Blair's Small Cap Growth strategy in 1999. Balkin received a B.A. from Northwestern University.
