

Eric Isch

AVP, Credit Research

Unum

Eric Isch is an AVP in Research. Mr. Isch, who joined Unum in 2017, covers Autos, Building Materials, Diversified Manufacturing and Transportation across the IG and HY portfolio. Mr. Isch has 14 years of experience in credit analysis and fixed income. Prior to joining Unum, Mr. Isch was the Senior Analyst covering IG Autos at Wells Fargo Securities, while also assisting in coverage across the Industrials and Materials sectors. Prior to his stint in Fixed Income Research, Mr. Isch worked in Debt Capital Markets at Wells Fargo Securities, originating Investment Grade bond offerings in Industrials and Financials. Mr. Isch received a BS from the University of North Carolina at Chapel Hill, and an MBA from Duke University.
