

## Donald Kilbride

*Senior MD and Partner  
Wellington*

Don is an equity portfolio manager on the Dividend Growth Team. He manages equity assets on behalf of our clients, drawing on research from Wellington Management's global industry analysts, equity portfolio managers, and team analysts. Don currently manages Wellington's Dividend Growth approaches focusing on large-cap, quality companies with a values orientation. He works in our Boston office.

Prior to joining Wellington Management in 2002, Don was a senior investment analyst and director of Non-Technology Research at Greenberg-Summit Partners, where his coverage area included energy, basic materials, financial services, aerospace/defense, and transportation (2001-2002). He was also the director of US Equity Research at The Boston Company (1996-2001).

Don received his MBA from the University of North Carolina's Kenan-Flagler Business School (1991) and his BA from the College of the Holy Cross (1986).
