

Todd Ludgate

*Head of Global Extended Fixed Income Strategies
State of Wisconsin Investment Board*

Todd Ludgate is the Head of Global Extended Fixed Income Strategies for the State of Wisconsin Investment Board (SWIB). Todd is responsible for overseeing internal active bond portfolios totaling \$30 billion in assets, working with eleven fixed income professionals to achieve risk and return objectives. Todd has served as a member of SWIB's Senior Management, Management Council, Investment Committee, Progression Council, Asset Allocation Committee, Research Task Force, and Credit Task Force. SWIB has a staff of 84 investment professionals that manages over \$160 billion including the Core Fund, Variable Fund, State Investment Fund and five smaller trust funds established by the State. The investment staff manages about 58% of assets internally.

Todd joined the State of Wisconsin Investment Board in 2003. Prior to joining SWIB, he spent five years working for Amerigo Life, Inc. in Kansas City as an analyst in the fixed income and accounting areas.

Todd has a BA from the University of Florida and an MBA from the University of Kansas. He is a CFA charterholder, member of the CFA Institute, and a board member for the Madison College Foundation.
