

## Michael Balkin

*CEO*

*Foresight Acquisition Corporation*

Michael Balkin is the CEO of Foresight Acquisition Corporation and chairman of Performance Health Systems, Inc, a private health and wellness company. Previously, he was a partner at William Blair and portfolio manager on William Blair's small-cap growth strategy. He rejoined William Blair in 2008 after three years as a portfolio manager and chief investment officer of Magnetar Investment Management. Balkin originally joined William Blair in 1990, covering small-cap growth companies for the firm's sell-side institutional research sales group. Balkin received a B.A. from Northwestern University.
