

Sam Cox

*Managing Director & Equity Research Analyst
Wellington Management*

Sam Cox is the backup portfolio manager and equity research analyst on the durable equity team at Wellington Management, where he focuses on the durable companies and durable enterprises approaches. Before joining Wellington Management in 2019, Cox was a portfolio manager, analyst, and co-director of equity research at Putnam Investments. In this role, he was responsible for researching U.S. healthcare companies; he served as the assistant portfolio manager for the Putnam Growth Opportunities strategy; co-portfolio manager for the Putnam Research Fund; and co-portfolio manager for the Putnam Global Health Care Fund. Before joining Putnam Investments, Cox worked as an equity research analyst at Fidelity Institutional Asset Management, where he covered global medical technology and life science companies. He received a B.A. in politics, philosophy, and economics and urban studies from the University of Pennsylvania and an M.B.A. from the Massachusetts Institute of Technology's Sloan School of Management.
