

Eric Isch

Assistant Vice President, Credit Research
Unum

Eric Isch is an assistant vice president in research for Unum. Isch, who joined Unum in 2017, covers autos, building materials, diversified manufacturing, and transportation across investment-grade and high-yield portfolios. Isch has 14 years of experience in credit analysis and fixed income. Before joining Unum, he was the senior analyst covering investment-grade autos at Wells Fargo Securities, while also assisting in coverage across the industrials and materials sectors. Before his stint in fixed-income research, Isch worked in debt capital markets at Wells Fargo Securities, originating investment-grade bond offerings in industrials and financials. He has a B.S. from the University of North Carolina at Chapel Hill and an M.B.A. from Duke University.
