

**Abhishek Kumar**

*Investment Analyst, Head of ESG  
Hunter Capital Management*

Abhishek Kumar is an investment analyst and head of ESG at Hunter Capital Management. He began his career a decade ago as an ESG analyst at MSCI. Since then, Kumar's experience has spanned ESG-driven fundamental investing, advisory, and operating roles at Arisaig Partners, Oberweis Asset Management, and Amazon's Project Kuiper. He received a B.A. in physics and economics from Bates College and his M.B.A. from the University of North Carolina's Kenan-Flagler Business School.
