

Brad Lewis, CFA

*Research Analyst*

*Barings*

Brad Lewis, CFA, is a research analyst on the U.S. high-yield investments team of the high-yield investments group at Barings. In this role, he is responsible for covering the technology sector. Lewis has worked in the industry since 2010, the same year he started at Barings. He is a member of the CFA institute. Lewis received a B.S. in finance from Wake Forest University.
